SOCIAL DISTANCING

The UK Government's Coronavirus (COVID19) social distancing guidelines recommend that members of the public stay at least 2 metres (6 feet) away from other people. To help remind your customers, visitors and staff to practice social distancing.

13Creativity specialises in design and production of wall, floor & windows graphics, exhibition stands and building site signage.

We developed a range of signage & displays that has been created to allow businesses and retailers to create awareness of social distancing rules following the outbreak of the COVID-19 Coronavirus. We supply a range of products including self adhesive floor graphics, banners and signage that can be displayed in your place of business
